The Community Foundation is able to award grants to the community through the thoughtfulness of donors who have contributed to our Permanent Endowment or Memorial Endowment Funds and also through the generosity of individuals who have created unrestricted charitable funds within our organization. We are pleased to acknowledge the above individuals who created unrestricted funds that will benefit our community for generations to come. Profiles of these donors are available in our annual reports that can be accessed on our Website at www.CommunityFoundationFRV.org.

Photos of Charles & Joseidell Carnes, James Dorion and Louise Zilly are unavailable. However, biographies of their lives also are included in our annual reports.
