HONORING SPECIAL FRIENDS

Erin K. Harrison

The Erin K. Harrison Memorial Scholarship Fund will provide annual awards to Aurora residents who are graduating from East Aurora or West Aurora High School or to students who are GED graduates. These scholarships are reserved for students pursuing a career in the field of elementary education. Erin Harrison (1985-2004) was born in Park Ridge, Illinois. She grew up in Aurora, Illinois and attended West Aurora Schools. At the time of her passing, Erin was a senior at West High where she played the clarinet in the school's various bands. She also worked at the SciTech Museum and was active in the youth group at New England Congregational Church. Always adventurous and charming, Erin possessed a rare and special gift in relating to children. She had planned to further her talents by pursuing a degree in elementary education at Northern Illinois University.

Sherry R. Eagle

The Dr. Sherry R. Eagle Educational Endowment Fund provides grants for educational programs and projects that benefit the students and staff of the West Aurora Schools. The fund was created by Dr. Eagle's colleagues and friends in recognition of her exemplary service as superintendent of West Aurora School District 129. Sherry Eagle began her career as a third grade teacher in Calumet City, Illinois. She then served as a reading specialist and later assistant principal for curriculum and special education at Thornwood High School in South Holland, Illinois. In 1989, she joined the West Aurora Schools as assistant superintendent for curriculum. She was named superintendent of the West Aurora Schools in 1993, serving the district until her retirement in 2005. During Dr. Eagle's tenure as superintendent, the West Aurora Schools made significant strides due to her innovative and progressive approach to education. This endowment is an ongoing tribute to a leader whose impact will continue to touch the lives of students for generations to come.

Arthur W. Konrad

The Konrad Family Scholarship Endowment Fund In Memory Of Arthur W. Konrad provides scholarships to graduates of West Aurora High School. Arthur W. Konrad (1928-2004) was born in Padew, Poland. He immigrated to the United States in 1950 and served overseas with the National Guard during the Korean War. As the sole proprietor of Konrad's Barbershop, Mr. Konrad worked as an independent barber from 1959 to 1999 on High Street in Aurora. Known as "Art by Art," his business was a mainstay of the Pigeon Hill community. In 1977, he obtained his real estate broker's license and added a second line of business to his High Street location. Mr. Konrad was a member of the Luxemburger Club and the German-American (DANK) Club. He also was a graduate of Waubensee Community College.

Hanah Rae Friel

The Hanah Rae Scholarship Fund provides scholarships to students entering fields of study that promote the well-being of children and who demonstrate a history of giving back to the community. The fund was established to celebrate the life of Hanah Rae Friel. In July 2004, two-year-old Hanah Rae Friel was suddenly diagnosed with Stage IV neuroblastoma, a rare childhood cancer. She spent thirty-seven days at Children's Memorial Hospital in Chicago. During this time, she entered a clinical trial in conjunction with St. Jude Children's Research Hospital. This involved an intensive drug therapy program including chemotherapy, radiation and finally a stem cell transplant. It is unknown at this time whether Hanah will experience a reoccurrence of the illness. However, according to her family, "Hanah's spirit remains strong and her blue eyes continue to dance." A Website, www.heartsforhanah.org, has been launched to raise awareness of childhood cancer.

William & Marjory Greene

The William Alexander and Marjory Mather Greene Endowment Fund provides income for the general grantmaking purposes of the Foundation. Alex Greene was born in Aurora and has lived most of his life in his hometown. He is a graduate of the University of Illinois and the University of Chicago Business School. During World War II, he served as an army combat engineer in Europe. Mr. Greene was associated with the Barber-Greene Company for thirty-six years, retiring as vice-president of administration and secretary. He also was a director of the firm. He has served on numerous boards of directors including Aurora University, Aurora Family YMCA, Greater Aurora Chamber of Commerce and the Rotary Club of Aurora. His father, William B. Greene, was co-founder of the Barber-Greene Company and also one of the founding members of The Aurora Foundation. Marjory Greene was born and raised in Chicago. She is a graduate of the University of Chicago and has been active in community and school-related organizations. Mr. and Mrs. Greene are members of New England Congregational Church.

Keith W. Young

The Dr. Keith W. Young Memorial Scholarship Fund was created to honor the life of this well-known Aurora dentist. Dr. Young (1932-2004) was a graduate of the Northwestern University Dental School. He practiced in Aurora for nearly fifty years and also was a faculty member at the Loyola School of Dentistry. He served as president of the Fox Valley Dental Society and maintained memberships with the Chicago and Illinois State Dental Societies, the American Dental Association, the Royal Society of Health and the Walter Reed Society. In addition, the Association for Individual Development recognized him for his extraordinary assistance to their organization. An avid outdoorsman, Dr. Young traveled to all seven continents of the world. He is survived by his wife, Barbara, and four children. His daughter, Dr. Kimberley Young, continues to practice dentistry in the office she had shared with her father.

OUR SINCERE GRATITUDE

The above charitable funds were created recently within The Aurora Foundation. Grants from these funds will be directed to charitable purposes designated by the donors. It is a privilege for the Foundation to assist individuals in custom-designing their own named funds. If you are seeking a meaningful way to provide ongoing support for a charitable organization or purpose close to your heart, please consider the benefits of creating your own named fund within The Aurora Foundation. A Privilege To Have Been There

During the past year, The Aurora Foundation has awarded numerous grants for local charitable projects. Many of these projects would not have been completed without the support of the Foundation. We wish

to highlight a few of these organizations and express our gratitude for the services they provide to our community. We are pleased to have been a part of their success. It was a privilege to have been there.

Paramount Arts Centre

The Paramount Arts Centre received a \$50,000 grant toward expansion of its theatre lobby. This rendering of the new lobby highlights the enlarged space that will provide for the safety of patrons.

Suicide Prevention Services

Suicide Prevention Services was awarded \$2,500 for emergency repairs to its facility. Over \$37,000 has been awarded by the Foundation to this agency since it was formed in 1998.

Provena Mercy Center

The Provena Mercy Medical Center received a grant of \$50,000 for the hospital's new Surgery Center. One of the new state-of-the-art operating rooms is pictured here.

YWCA Aurora

The YWCA Aurora received a \$25,000 grant for a new van to provide needed transportation for children participating in the agency's child care programs.

Young Lives Awed By Art

A vibrant community is one that values the arts and its many forms of expression. A visionary community is one that encourages this appreciation among its children.

Current board members include James Cromer, Nancy Hopp, Barbara Kattermann, William Skoglund, Joy Titiner and Leslie Wadsworth. Calvin Thelin serves as the organization's legal counsel.

Young lives are transformed by the beauty of a poignant symphony, a thought-provoking play or a heartwarming musical. Given the opportunity, young lives are simply awed by art.

The Paramount Endowment makes wonderful things happen for children of all ages.

To ensure the continuation of this tradition in Aurora, the Paramount Arts Centre Endowment (PACE) is building a permanent fund to support the Paramount Arts Centre and the auditorium in North Island Center (Copley Theatre).

Anne Goldsmith, president and chairman of the board of PACE, provided the direction for the creation and development of the endowment fund in 1983. She continues as its chairman today and is joined by a board of directors firmly committed to its mission.

In 1998, the board of directors of PACE transferred its endowment to The Aurora Foundation for the permanent protection and management of the fund's assets.

Gifts to the endowment fund underwrite a variety of quality performances and educational opportunities for citizens of all ages.

Your contributions, payable to the Paramount Arts Centre Endowment, may be sent to The Aurora Foundation, 111 West Downer Place, Suite 312, Aurora, Illinois, 60506.

By enabling children to experience culture in transcendent ways, all citizens of a community benefit. Such communities are fundamentally enriched when young lives are awed by art.

IN REMEMBRANCE

Lorraine Bryant

The Lorraine B. Bryant Memorial Scholarship Endowment Fund was created upon receipt of a generous bequest from the estate of Lorraine Bryant. Mrs. Bryant (1904-2002) was a member of St. John A.M.E. Church where she served as a nurse's aide. She also was involved in the missionary work of the church. Mrs. Bryant was never blessed with children but was called "Mother" by those she knew. She enjoyed the simple pleasures of life - feeding the birds, watching over her flowers and sharing interesting stories with friends. Her life was filled with prayer and with the singing of hymns. According to friends, Mrs. Bryant had a deep respect for higher education and had often expressed her personal wish for that opportunity. Her bequest to the Foundation was her way of providing to future generations the one dream that had eluded her in life. Mrs. Bryant was preceded in death by her husband, Gilbert Bryant.

The Brian Farnham Memorial Scholarship Endowment Fund, originally created in 1995, was established as a permanent endowment in 2005 to honor the life of Brian Farnham. Brian Farnham (1977-1993) attended Our Lady of Good Counsel School until the eighth grade. He participated in Cub Scouts at the school and was an avid basketball and football player. He then attended Newark High School and represented the school at a downstate academic contest as a member of the JET's Team. He was named an All-American Scholar and was admitted into membership in the Who's Who of American High School Scholars. Brian died on June 5, 1993 in an automobile accident. This fund provides scholarships to students entering "people-oriented" vocations such as the social sciences, health science, medicine, engineering, music and theology.
