Dear

Your Student Aid Report (SAR) Acknowledgement summarizes the information you submitted on your 2009 - 2010 Free Application for Federal Student Aid (FAFSA).

Application Status (review the checked boxes)

- Your FAFSA appears to be complete. Review the data on pages 2 and 3. We may have assumed certain information to calculate your eligibility for federal student aid. We printed any assumptions we made and the word "assumed" for the items on the back of this page. If you need to make corrections, you can go to www.fafsa.ed.gov and use your Federal Student Aid PIN to access your information or you can contact the financial aid office at one of the schools you listed on your application for assistance. The school(s) listed on your FAFSA will receive your information.

Federal Student Aid Eligibility (review the checked boxes)

The data submitted on your FAFSA is used to calculate your Expected Family Contribution (EFC), which is 15644.

The EFC is not the amount of money that your family must provide. Rather, you should think of the EFC as an index that colleges use to determine how much financial aid you would receive if you were to attend their school. Financial aid may include grants, loans, and/or work-study. This award information will vary from college to college because the cost of attending each is different. Please note that your EFC is subject to change if you update or correct your FAFSA.

- Based on your EFC it appears that you are not eligible for a Federal Pell Grant but you may be eligible for other aid.

You should keep this SAR Acknowledgement for your records!
