

CASA receives \$10,000 from Fox River Valley Community Foundation

Geneva, IL

By Staff reports Geneva Republican

October 9, 2012

The Community Foundation of the Fox River Valley recently donated \$10,000 to the Geneva-based CASA Kane County organization.

CASA and its volunteer advocates aim to represent the best interests of abused and neglected children through Kane County courts.

The grant allows CASA to replace its computer server which had become antiquated and was no longer compatible with current hardware or software.
