Tuesday, July 16, 2013

Joseph Corporation's Board of Directors and Staff would like to thank the Community Foundation of the Fox River Valley for their generous grant in the amount of \$16,000 for our technology upgrade project.

Joseph Corporation has provided services to over 900 individual/families in this past year through rehab projects and our counseling services. We accomplish this through outreach, group counseling and one-on-one counseling, our Safety First Program and our new endeavor with the Dunham Rehab Program. Your grant will help our agency maintain its goal of keeping as many families as possible in their homes.

We look forward to continuing our relationship with you and to looking ahead to a brighter future.

Thank you again for your much needed support.

Sincerely,
Joseph Corporation Board of Directors

Dennis P. Wiggins
Executive Director
