The Community Foundation of the Fox River Valley is having a significantly positive impact on the lives of Scouts this year through a very generous \$10,000 grant to purchase laptop computers for field staff and provide a much needed upgrade to their technology equipment. This grant will allow the Three Fires Council to serve over 30,000 volunteers and Scouts better by bringing services to them and communicating in a style that is more efficient and comfortable to the families served today.

The Community Foundation of the Fox River Valley is a collection of individual funds and resources given by local citizens to enhance and support the quality of life in the Fox River Valley. These funds are used to provide grants to non-profit organizations and scholarships to area students.

We would like to thank the Board of Directors of the Community Foundation of the Fox River Valley and their President and CEO, Sharon Stredde, for this generous gift," said Matt Ackerman, the Scout Executive for Three Fires Council.

In 2012, the Foundation awarded more than \$4.6 million in grants to non-profits. Additionally, they awarded over \$823,000 in scholarships to worthy students. For more information, call (630) 896-7800 or view www.CommunityFoundationFRV.org.
